

REMARKS

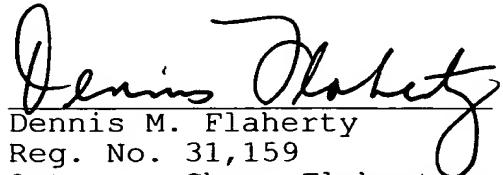

At the outset Applicant gratefully acknowledges the allowance of claims 1-11 and 16-27. During review of the Examiner's Amendment, Applicant noted three errors in the Examiner's proposed claim 16, which errors have been corrected by amendments set forth above.

First, on page 4, line 2, of the Notice of Allowability, the modifier "12-lead" has been mistakenly typed as "12-lead". In other words, a numeral "1" has been inserted in place of the letter "l" in the word "lead". This typographical error has been corrected.

Second, on page 4, lines 7 and 8, of the Notice of Allowability, the phrase "a computer" has been amended to read "said computer" ("a computer" is already recited in line 5).

Lastly, on page 5, lines 10 and 11, of the Notice of Allowability, "an emergency coronary treatment facility" has been replaced by "said emergency coronary treatment facility" ("an emergency coronary treatment facility" is already recited on page 4, line 10).

Respectfully submitted,
